CAUSE NO. 83C01 -19 - -

VICTIM CONTACT INFORMATION

Instructions: the Prosecution of a criminal case is a process that necessitates the exchange of information between this office and you as the victim in this case. As such, it is very important that you provide this office with accurate and current information that will allow for contact regarding any number of issues that arise during this case. It is your responsibility to provide this information and to update this information as need be. Therefore, please fill out this form and return it to the Victim Assistance Coordinator. If the form is not completed and returned, then this office will assume that you are not interested in the progress of this case.
